

Continuing to strive for Quality Excellence

Bengaluru, August 19, 2018: **YASKAWA India won the Second Prize at the 27th Chapter Convention on Quality Concepts 2018** held August 19, 2018 at T. John College campus in association with QCFI Bengaluru Chapter.

Theme of the convention was **Igniting Minds for Innovation**. There were nearly 359 participant teams from various companies, like L&T, Toyota, TVS, JSW, Yazaki India, Wendt India, Wipro Infrastructure, YG cutting tools & Corporations, etc.,

This award is the recognitions of our continued efforts as we strive for excellence. Our journey in practices and commitment to create new benchmarks in the industry have attracted industry recognition from time to time.

We are proud of our accomplishments; it's reaffirming when third parties also recognize our efforts.

We will continue to strive for better heights, by making it possible step by step.
